In making an investment decision, potential investors must only rely on the information included in the RHP and the terms of the Offer, including the risks involved and not rely on any other external sources of information about the Offer available in any manner.

### RISK TO INVESTORS

1. **Concentration Risk:** We depend significantly on our personal care, healthcare and performance oil business division which contributes 56.29%, 54.96%, 53.50% and 44.64% to our pro forma consolidated revenue from finished goods sold for the quarter ended June 30, 2023 and Financial Year ended 2023, 2022 and 2021, respectively. Any downturns in the industries addressed by this business division or an inability to manage sales by the business division effectively leading to any reduction in revenue from this division could adversely affect our business, financial condition and results of operations.

2. **Availably of Raw Material, Raw Material Pricing and Supply Risk:** We source most of our base oil, our key raw material, from South Korea and the Gulf Co-operation Council region. Any inability to obtain base oil from these countries in the absence of alternative sources may result in delay or cancellation of orders for our products, adversely impact customer relationships and have a material adverse impact on our business, financial condition and results of operations. We have imported 72.93%, 72.57%, 62.50% and 57.31% of our total raw material purchases from countries outside India on a pro forma consolidated basis for the quarter ended June 30, 2023 and Financial Year ended March 31, 2023, March 31, 2022 and March 31, 2021 respectively. Raw materials imported from countries outside India constituted 72.93%, 72.57%, 62.50%, and 57.31% of our total raw material purchases, on a pro forma consolidated basis for quarter ended June 30, 2023, Financial Year ended 2023, 2022 and 2021, respectively. Any delays, interruptions or reduction in the supply of raw materials to manufacture our products and abrupt fluctuations in the prices of our raw materials may adversely affect our business, results of operations, financial condition and cash flows.

3. **Litigation Risk:** There are pending litigations against our Company, certain Subsidiaries, Group Companies and certain Promoters and Directors. Any adverse decision in such proceedings may render us/them liable to liabilities/penalties (including any monetary liabilities arising out of taxation matters) and may adversely affect our business, cash flows, financial condition and reputation. Further, our Promoters and our Company are also involved in certain regulatory actions (including notices and summons with requests for information from the Enforcement Directorate and the Central Bureau of Investigation) and proceedings and investigations in respect of certain criminal proceedings. Any adverse outcome in such matters may adversely affect our business, reputation, financial condition and results of operations.

4. **Foreign Currency Fluctuation Risk:** Our pro forma consolidated revenue from operations undertaken in foreign currencies constituted 64.27%, 53.02%, 39.58% and 35.54% for quarter ended June 30, 2023 and Financial Year ended 2023, 2022 and 2021, respectively. Our total expenditure undertaken in such foreign currencies constituted 72.81%, 72.08%, 61.95% and 57.65% for quarter ended June 30, 2023, Financial Years ended 2023, 2022 and 2021 respectively. Any exchange rate fluctuations in various currencies in which we do business could negatively impact our business, financial condition and results of operations.
5. **Manufacturing Facility Related Risk:** Our Sharjah Plant, which has exhibited a relatively lower rate of capacity utilization of 69.14%, 54.22%, 36.32% and 23.41%, in the quarter ended June 30, 2023 and the Financial Years 2023, 2022 and 2021, respectively, Any slowdown or shutdown in our manufacturing operations, or under-utilization at our manufacturing facilities, including due to labour unrest, or any inability to obtain adequate electricity, fuel or water with respect to such operations, could have an adverse effect on our business, results of operations, financial condition and cash flows.

6. We will continue to be subject to certain obligations in respect of our Company’s erstwhile Coal Trading Business, which may adversely affect our financial condition, cash flows and results of operations. Our company has in relation to such erstwhile Coal Trading Business has a demand raised by customs authorities contested by the Company (net of payment) amounting to ₹407.82 million and the same has been disclosed as a contingent liability in the Restated Consolidated Financial Information, which GCMLP has agreed to indemnify our Company for pursuant to the addendum to the Business Transfer Agreement dated December 15, 2022.

7. **Supplier concentration Risk:** We obtain a substantial portion of our raw materials from a limited number of suppliers and we do not have long-term contracts with our suppliers. Our top 10 suppliers constituted 75.34%, 74.26%, 65.38% and 62.47% for the quarter ended June 30, 2023, Financial Year ended 2023, 2022 and 2021, respectively. If one or more of our top suppliers were to suffer a deterioration of their business, cease doing business with us or substantially reduce their dealings with us, our business, results of operations, cash flows and financial condition may be adversely affected.

8. **Demand Risk:** Our overall business and the demand for our products is dependent on the end industries such as (i) the consumer, healthcare, plastics, chemical, textiles and fragrance industries for the personal care, healthcare and performance oils (PHPO) division; (ii) the automobile and industrial machines and equipment industries for the lubricants division; and (iii) the transformer manufacturers, power generation and distribution and tyre and rubber product manufacturers for the process and insulating oils (PIO) division. Any decline in the demand for our customers’ end products could have an adverse impact on our business, results of operations, cash flows and financial condition. Further, any downturn or disruption in the end industries addressed by our business divisions, including due to general economic conditions or slow down, could adversely impact our business, results of operations, cash flows and financial condition.

9. **Regulatory and Compliance Risk:** We are subject to regulatory requirements of the authorities in the jurisdictions in which we operate, such as the Maharashtra Food and Drugs Administration and the Maharashtra Pollution Control Board in relation to our Taloja Plant, the Pollution Control Committee, Daman and Diu and Dadra and Nagar Haveli in relation to our Silvassa Plant and the Hamriyah Free Zone Authority in relation to our Sharjah Plant and we are also subject to strict quality

requirements and standards and inspections and the success and acceptance of our products by our customers is largely dependent on our ability to meet such quality requirements and standards. Our failure to comply with the quality standards and technical specifications prescribed by such customers may lead to a loss of business from such customers and could negatively impact our reputation, which would have an adverse impact on our business prospects and results of operations.
