RISK FACTORS

Below mentioned risks are the top 10 risk factors as per the Tranche IV Prospectus

1. Our business requires substantial capital, and any disruption in funding sources would have a material adverse effect on our liquidity and financial condition.
2. Any instructions by RBI or other regulatory authority in India directing the Company to stop the use of its premises/branches or officials for the operations of its group entities could materially and adversely affect the business and future financial performance of such group entities.

3. Our financial performance is particularly vulnerable to interest rate risk. If we fail to adequately manage our interest rate risk in the future it could have an adverse effect on our net interest margin, thereby adversely affecting our business and financial condition.
4. The Company is regulated by RBI and is subject to periodic RBI inspections and any adverse action taken could affect the business and operations of the Company.
5. Our ability to access capital also depends on our credit ratings. Any downgrade of our credit ratings would increase borrowing costs and constrain our access to capital and lending markets and, as a result, would negatively affect our net interest margin and our business.
6. High levels of customer defaults and an inability to manage NPAs in our gold loans and other loans could adversely affect our business, financial condition and results of operations.
7. We may not be able to recover the full loan amount, and the value of the collateral may not be sufficient to cover the outstanding amounts due under defaulted loans. Failure to recover the value of the collateral could expose us to a potential loss, thereby adversely affecting our financial and operational performance.
8. We have not independently verified certain industry data in the Tranche IV Prospectus.
9. Refusal of listing of any security of our Company during preceding three financial years and current financial year by any of the stock exchanges in India or abroad.

B. Brief details of top 5 material outstanding litigations against the Company and amount involved:

Sr. No.	Particulars	Litigation Filed By	Current Status	Amount Involved
1.	<p>The Company had filed a Writ Petition before the Hon’ble High Court of Madras on July 30, 2019 challenging the order passed by the Income Tax Settlement Commission, Chennai Bench abating the proceedings before it relating to the Settlement Application filed by the Company dated December 17, 2017 (“Settlement Application”) and praying for stay on proceedings initiated by the Joint Commissioner of Income Tax (OSD), Central Circle, Thiruvananthapuram post abatement of proceedings by the Settlement Commission. The tax and interest due on the issues forming part of the Settlement Application totaled to ₹ 7,406 lakh. The Settlement Application related to notices received under Section 148 for Assessment Year 2010-11, Section 147 of the Income Tax Act, 1961 as per which the income chargeable to tax for the Assessment Years 2011-12 to 2016-17 of the Company has not been assessed, and Section 153A of the Income Tax Act, 1961 as per which the Company was required to prepare true and correct return of which the Company was assessable for the Assessment Years 2011-2012 to 2016-2017 and for Assessment Year 2017-18, assessment of which was deemed to be pending by virtue of explanation (iv) to Section 245A(b) as on date of filing the settlement application. The Hon’ble High Court of Madras has dismissed the petition filed by the Company on June 29, 2022 on the ground that the cause of action of the matter has arisen fully in Kerala and not within the territorial jurisdiction of the Hon’ble Madras High Court, thereby ousting its jurisdiction to entertain the petition. Information for Applicants

Upon the closure of the Tranche IV Issue, the Registrar to the Issue will reconcile the compiled data received from the Stock Exchange and all SCSBs and match the same with the Depository database for correctness of DP ID, Client ID, UPI ID (where applicable) and PAN. The Registrar to the Issue will undertake technical rejections based on the electronic details and the Depository database and prepare list of technical rejection cases. In case of any discrepancy between the electronic data and the Depository records, our Company, in consultation with the Designated Stock Exchange, the Lead Manager and the Registrar to the Issue, reserves the right to proceed as per the Depository records for such Applications or treat such Applications as rejected.

Based on the information provided by the Depositories, our Company shall have the right to accept Applications belonging to an account for the benefit of a minor (under guardianship).

In case of Applications for a higher number of NCDs than specified for that category of Applicant, only the maximum amount permissible for such category of Applicant will be considered for Allotment.

BASIS OF ALLOTMENT

Basis of Allotment for NCDs

The Registrar to the Issue will aggregate the Applications, based on the applications received through an electronic book from the Stock Exchange and determine the valid Application for the purpose of drawing the basis of allocation. Grouping of the application received will be then done in the manner stated below.

- a. *Applications received from Category I Investors*: Applications received from the Applicants belonging to Category I, shall be grouped together, (“**Institutional Portion**”);
- b. *Applications received from Category II Investors*: Applications received from the Applicants belonging to Category II, shall be grouped together, (“**Non-Institutional Portion**”);
- c. *Applications received from Category III Investors*: Applications received from the Applicants belonging to Category III, shall be grouped together, (“**High Net-worth Individual Category Portion**”).
- d. *Applications received from Category IV Investors*: Applications received from Applicants belonging to Category IV shall be grouped together, (“**Retail Individual Category Portion**”).

For removal of doubt, “*Institutional Portion*”, “*Non-Institutional Portion*”, “High Net-worth Individual Category Portion” and “*Retail Individual Category Portion*” are individually referred to as “*Portion*” and collectively referred to as “*Portions*”.

Particulars	Institutional Portion	Non-Institutional Portion	High Net-worth Individual Category Portion	Retail Individual Investors Portion
% of Issue Size	10%	20%	50%	20%
Base Issue Size (₹ in lakhs)	2,000	4,000	10,000	4,000
Total Issue Size (₹ in lakhs)	6,000	12,000	30,000	12,000

For the purposes of determining the number of NCDs available for allocation to each of the abovementioned Portions, our Company shall have the discretion of determining the number of NCDs to be Allotted over and above the Base Issue Size, in case our Company opts to retain any oversubscription in the Tranche IV Issue up to the Tranche IV Issue Limit i.e. aggregating up to ₹ 60,000 lakhs. The aggregate value of NCDs decided to be allotted over and above the Base Issue Size, (in case our Company opts to retain any oversubscription in the Tranche IV Issue), and/or the aggregate value of NCDs up to the Base Issue Size shall be collectively termed as the “*Overall Issue Size*”.

Basis of Allotment for NCDs

a. Allotments in the first instance:

- i. Applicants belonging to the Institutional Portion, in the first instance, will be allocated NCDs up to 10% of Tranche IV Issue Limit on first come first serve basis which would be determined on the date of upload of their Applications in to the electronic platform if the Stock Exchange;
- ii. Applicants belonging to the Non-Institution Portion, in the first instance, will be allocated NCDs up to 20% of Tranche IV Issue Limit on first come first serve basis which would be determined on the date of upload of their Applications in to the electronic platform if the Stock Exchange;
- iii. Applicants belonging to the High Net Worth Individual Investors Portion, in the first instance, will be allocated NCDs up to 50% of Tranche IV Issue limit on first come first serve basis which would be determined on the date of upload of their Applications in to the electronic platform if the Stock Exchange;
- iv. Applicants belonging to the Retail Individual Investors Portion, in the first instance, will be allocated NCDs up to 20% of Tranche IV Issue Limit on first come first serve basis which would be determined on the date of upload of their Applications in to the electronic platform of the Stock Exchange

As per the SEBI Master Circular, in consultation with the Designated Stock Exchange, the allotment in the Tranche IV Issue is required to be made on date priority basis, i.e., first come first serve basis, based on the date of upload of each application into the electronic book of the Stock Exchange, in each portion subject to the Allocation Ratio indicated herein above. However, from the date of oversubscription and thereafter, the allotments will be made to the applicants on proportionate basis.

- b. *Under Subscription*: If there is any under subscription in any Category, priority in Allotments will be given to the Retail Individual Investors Portion, High Net Worth Individual Investors Portion, and balance, if any, shall be first made to applicants of the Non-Institutional Portion, followed by the Institutional Portion on a first come first serve basis, on proportionate basis. If there is under subscription in the overall Tranche IV Issue Limit due to undersubscription in each Portion, all valid Applications received till the end of last day of the Tranche IV Issue Closure day shall be grouped together in each Portion and full and firm Allotments will be made to all valid Applications in each Portion.

For each Category, all Applications uploaded on the same day onto the electronic platform of the Stock Exchange would be treated at par with each other. Allotment would be on proportionate basis, where NCDs uploaded into the platform of the Stock Exchanges on a particular date exceeds NCDs to be Allotted for each portion respectively.

- c. Minimum allotment of 1 (one) NCD and in multiples of 1 (one) NCD thereafter would be made in case of each valid Application to all applicants.
- d. *Allotments in case of oversubscription*: In case of an oversubscription, allotments to the maximum extent, as possible, will be made on a first-come first-serve basis and thereafter on proportionate basis, i.e. full allotment of the NCDs to the Applicants on a first come first basis up to the date falling 1 (one) day prior to the date of oversubscription and proportionate allotment of NCDs to the applicants from the date of oversubscription and thereafter (based on the date of upload of each Application on the electronic platform of the Stock Exchange, in each Portion).

For the purpose of clarity, in case of oversubscription please see the below indicative scenarios:

- i. In case of an oversubscription in all Portions resulting in an oversubscription in the Tranche IV Issue Limit, Allotments to the maximum permissible limit, as possible, will be made on a first-come first serve basis and thereafter on proportionate basis, i.e. full allotment of the NCDs to the Applicants on a first come first basis up to the date falling 1 (one) day prior to the date of oversubscription to respective Portion and proportionate allotment of NCDs to the Applicants on the date of oversubscription in respective Portion (based on the date of upload of each Application on the electronic platform of the Stock Exchanges in each Portion). The date of oversubscription for each category will be determined as per the bucket size based on the allocation ratio stated above not taking into account any spill overs due to undersubscription in other categories.
- ii. In case there is oversubscription in the Tranche IV Issue Limit, however there is under subscription in one or more Portion(s), Allotments will be made in the following order:
 - a. All valid Applications in the undersubscribed Portion(s) uploaded on the electronic platform of the Stock Exchanges till the end of the last day of the Tranche IV Issue Period, shall receive full and firm allotment.
 - b. In case of Portion(s) that are oversubscribed, allotment shall be made to valid Applications received on a first come first serve basis, based on the date of upload of each Application on the electronic platform of the Stock Exchanges. Priority for allocation of the remaining undersubscribed Portion(s) shall be given to day wise Applications received in the Retail Individual Portion followed by High Net Worth Individual Investors Portion, next Non-Institutional Portion and lastly Institutional Portion each according to the day of upload of Applications on the electronic platform of the Stock Exchanges during the Tranche IV Issue Period.
 - c. For the sake of clarity, once full and firm allotment has been made to all the valid Applications in the undersubscribed portion, the remaining balance in the undersubscribed Portion will be Allocated to the oversubscribed Portion(s) and proportionate allotments shall be made to all valid Applications in the oversubscribed Portion(s) uploaded on the date of oversubscription and thereafter on the remaining days of the Tranche IV Issue Period.
- e. Proportionate Allotments: *For each Portion, on the date of oversubscription and thereafter:*

Allotments to the Applicants shall be made in proportion to their respective Application size, rounded off to the nearest integer.

If the process of rounding off to the nearest integer results in the actual allocation of NCDs being higher than the Tranche IV Issue Limit, not all Applicants will be allotted the number of NCDs arrived at after such rounding off. Rather, each Applicant whose Allotment size, prior to rounding off, had the highest decimal point would be given preference.

In the event, there are more than one Applicant whose entitlement remain equal after the manner of distribution referred to above, our Company will ensure that the basis of allotment is finalised by draw of lots in a fair and equitable manner.

- f. Applicant applying for more than one Series of NCDs:

If an Applicant has applied for more than one Series of NCDs, and in case such Applicant is entitled to allocation of only a part of the aggregate number of NCDs applied for due to such Applications received on the date of oversubscription, the option-wise allocation of NCDs to such Applicants shall be in proportion to the number of NCDs with respect to each option, applied for by such Applicant, subject to rounding off to the nearest integer, as appropriate in consultation with Lead Manager and Designated Stock Exchange.

In cases of odd proportion for Allotment made, our Company in consultation with the Lead Manager will allot the residual NCD (s) in the following order:

- i. first with monthly interest payment in order of least tenor i.e. Series I, II, III and IV;
- ii. followed by annual interest payment in order of least tenor i.e. Series V, VI, VII and VIII;
- iii. followed by payment on cumulative Series in order of least tenor i.e. Series IX, X, XI and XII.

All decisions pertaining to the Basis of Allotment of NCDs pursuant to the Tranche IV Issue shall be taken by our Company in consultation with the Lead Manager, and the Designated Stock Exchange and in compliance with the

forementioned provisions of the Tranche IV Prospectus.

Our Company would Allot Series VI NCDs to all valid applications, wherein the Applicants have not indicated their choice of the relevant Series of the NCDs. Therefore, instructions will be given to the Designated Intermediaries to indicate Series VI NCD as the Applicant's choice of the relevant NCD Series wherein the Applicants have not indicated their choice.

Valid applications where the Application Amount received does not tally with or is less than the amount equivalent to value of number of NCDs applied for, may be considered for Allotment, to the extent of the Application Amount paid rounded down to the nearest ₹ 1,000 in accordance with the pecking order mentioned above.

All decisions pertaining to the Basis of Allotment of NCDs pursuant to the Tranche IV Issue shall be taken by our Company in consultation with the Lead Manager and the Designated Stock Exchange and in compliance with the aforementioned provisions of the Tranche IV Prospectus. Any other queries / issues in connection with the Applications will be appropriately dealt with and decided upon by our Company in consultation with the Lead Manager.

Our Company shall have an option to retain over-subscription up to the Tranche IV Issue limit.
